**APPLICATION FOR PATENT TERM ADJUSTMENT
UNDER 37 C.F.R. §1.705(b)**

Mail Stop: Patent Ext.
Commissioner for Patents
Washington, DC 20231

February 19, 2010

1. This is an Application for Patent Term Adjustment for the above-referenced application pursuant to 37 C.F.R. §1.705(b).
2. The required fee set forth in 37 C.F.R. §§ 1.705(b)(1) and 1.18(e) of Two Hundred Dollars (\$200.00) is concurrently paid by credit card herewith.
3. A Notice of Allowance and Fees Due was mailed December 2, 2009 in the referenced application and was accompanied by a Determination of Patent Term Adjustment under 35 U.S.C. 154(b) of the same date (“the December 2, 2009 Determination”). The December 2, 2009 Determination indicated a Patent Term Adjustment of 545 days. A copy of the December 2, 2009 Determination is attached hereto as Exhibit A.
4. The Issue Fee has not yet been paid in the referenced application.
5. Applicant hereby requests recalculation of the patent term adjustment under 35 U.S.C. §154(b) indicated in the December 2, 2009 Determination on the basis that this original Determination was based on the USPTO’s pre-*Wyeth* (*Wyeth v. Kappos*, No. 2009-1120 (Fed. Cir., Jan. 7, 2010; “*Wyeth*”)) interpretation of 35 U.S.C. §154(b)(2)(A).

6. Statement of Facts Involved Pursuant to 37 C.F.R. §1.705(2):

Subsections (i.) through (iv.) below are presented in satisfaction of the requirements set forth in the similarly numbered subsections of 37 C.F.R. §1.705(2).

(i.) The correct Patent Term Adjustment is 1,095 days. The basis of the correction is that the original December 2, 2009 Determination was based on the USPTO's pre-*Wyeth* interpretation of 35 U.S.C. §154(b)(2)(A). Specifically, the original Determination did not add the accrued "A" period delays and "B" period delay and did not consider the overlap of the "A" and "B" periods, in the manners mandated by *Wyeth*.

(ii.) The following table lists the pertinent periods in the PTA recalculation. The pertinent periods are also graphically presented in Exhibit B hereto, which is a marked-up copy of the Transaction History of the referenced application (as downloaded from PAIR at USPTO.gov on January 8, 2010).

Period	Delay/Overlap	Source	Days
1.	A-type USPTO delay: 37 C.F.R. §702(a)(1) 14 mo. mark (05/01/2005) to 1 st Action (06/11/2007)	USPTO	771
2.	B-type USPTO delay: 37 C.F.R. §702(b)(1) 3 yr. mark (03/01/2007) to RCE filing (12/12/2008)	USPTO	652
3.	Overlap in days for A/B periods 1 and 2 (03/01/2007 to 06/11/2007)	USPTO (A/B Overlap)	(102)
4.	Applicant delay: 37 C.F.R. §704(b) 86-day extension in responding to 09/25/2007 non- final rejection.	Applicants	(86)
5.	Applicant delay: 37 C.F.R. §704(b) 91-day extension in responding to 06/12/2008 final rejection.	Applicants	(91)
6.	Applicant delay: 37 C.F.R. §704(b) 54-day extension in responding to 03/03/2009 non- final rejection.	Applicants	(54)
7.	A-type USPTO delay: 37 C.F.R. §702(a)(2) Issuance of Notice of Allowance at 5 days over four mos. after Applicant's 07/27/2009 response.	USPTO	5
Total PTA			1095

(iii.) The instant application is not subject to any terminal disclaimer.

(iv.) As shown in the table above, indicated periods 4-6 represent reductions in the Patent Term Adjustment arising from Applicant delay, under 37 C.F.R. §704(b).

7. In view of the foregoing, Applicants hereby petition for a recalculation of the Patent Term Adjustment to which the patent issuing from the instant application is entitled and issuance of a new determination of PTA in accordance therewith.
8. It is believed that no fees other than those paid concurrently are due in connection with the filing of this paper. However, should it be deemed that any other fee is due in connection with this paper, authorization is hereby given to charge such fee to Deposit Account No. 02-2275.

Respectfully submitted,

LUCAS & MERCANTI, LLP

Dated: February 19, 2010

DATE MAILED: 12/02/2009				

Determination of Patent Term Adjustment under 35 U.S.C. 154 (b) (application filed on or after May 29, 2000)

The Patent Term Adjustment to date is 545 day(s). If the issue fee is paid on the date that is three months after the mailing date of this notice and the patent issues on the Tuesday before the date that is 28 weeks (six and a half months) after the mailing date of this notice, the Patent Term Adjustment will be 545 day(s).

If a Continued Prosecution Application (CPA) was filed in the above-identified application, the filing date that determines Patent Term Adjustment is the filing date of the most recent CPA.

Applicant will be able to obtain more detailed information by accessing the Patent Application Information Retrieval (PAIR) WEB site (<http://pair.uspto.gov>).

Any questions regarding the Patent Term Extension or Adjustment determination should be directed to the Office of Patent Legal Administration at (571)-272-7702. Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at 1-(888)-786-0101 or (571)-272-4200.
